

Terms and Conditions

W2W PLATFORM TERMS AND CONDITIONS

1. Interpretation

1.1 In these Conditions:

"Customer" means the person interested by publishing buy/sell/advertise listing on the Platform;

"Advertiser" means a buyer/seller/proprietor which uses the Platform to advertise waste/service/technology to the Customers;

"Platform" means the W2W website;

"Proprietor" means an owner of the technologies/services advertising on the platform;

"Buyer" means the person who purchases wastes or subscribes the technologies/services from advertised listing on the Platform;

"Seller" means a waste owner which uses the Platform to sell wastes to the Buyers;

"Services" means any services such as transportation, laboratory analysis, packaging, recycling etc. published by the Proprietor on the platform;

"Technologies" means any waste-to-wealth technologies or other green technologies published by the Proprietor on the platform;

"Wastes" means the permissible and non-hazardous wastes made available for sale on the Platform;

"Goods" means the wastes, services and technologies published by Advertisers for advertising purpose on the Platform;

"Contract" means the contract formed when Seller/Proprietor accepted the order placed by Buyer on the Platform for the purchase of wastes or subscription of technologies/services;

2. INTRODUCTION

2.1 Welcome to the W2W website. These Terms of Use govern your access and use of the Platform and the use of any services, information and functions made available by us at the Platform. Before using this Platform, you must read carefully and accept these Terms of Use and all other terms and conditions and policies pertaining to the use of the Platform. If you do not agree to W2W Terms and Conditions, do not access and/or use this Platform.

3. USE OF THE PLATFORM

3.1 W2W grant you a full consent to use the Platform subject to these Terms of Use, for the purpose of information exchange for those companies and individuals who buy/sell commodities, materials, goods and services relevant to this industry on the Platform. W2W is a membership based electronic information service designed to promote waste, service and green technology trade by bringing Buyers, Sellers, Proprietors together using the Internet. W2W is only the advertising platform provider, not the seller.

3.2 Content provided on this Platform is solely for informational purposes. Waste representations expressed on this Platform are those of the Seller and are not made by us.

3.3 Customer viewing and replying to listing of eligible Waste or publishing Technologies/Services on the Platform may require registration. Thus, you agree to provide accurate and current information about yourself, and to promptly update such information if there are any changes. Every user of the Platform is solely responsible for keeping passwords and other account identifiers safe and secure. The account owner is entirely responsible for all activities that occur under such password or account.

3.4 Token is required in exchange of the listing service on the Platform. Advertiser can purchase token from the Platform to submit supply/demand listing of Waste/Service/Technology on the Platform to attract interested Customer. The token purchased is non-transferrable and non-refundable and may only be used on the Platform.

3.5 Only permissible wastes and solid wastes specified under Akta 672 (Akta Pengurusan Sisa Pepejal Dan Pembersihan Awam 2007) are allowed for listing/advertising at the Platform. It is the responsibility of the Seller/Buyer to identify if the waste is hazardous and handle the waste according to the environmental regulations such as Akta 672.

3.6 Proprietors owning solid waste management services (collection, management, transportation etc.) specified in Akta 672 are required to present adequate proof on their license received from the National Solid Waste Management Department to publish their service advertisement at the Platform. It is the responsibility of the Advertisers/Buyers/Sellers/Proprietors to perform solid waste management activities outside the Platform with strict obedience to related regulations such as Akta 672.

3.7 The Platform assumes no responsibility for any Waste/Service/Technology

information listed by Advertisers.

3.8 We reserve the right to monitor, screen or otherwise control any activity, content or material on the Platform.

W2W TERMS AND CONDITION FOR PURCHASING AND SELLING

1. Basis of the Contract

1.1 The Platform provides a place and opportunity for the sale of Wastes between the Customer and the Advertiser or publishing Technologies/Services on the Platform. The identity of the Advertiser for a particular waste and Proprietor of technologies or services listed on the Platform may be stated on the webpage.

1.2 Where the Buyer has placed an order on the Platform for the purchase of Waste advertised by the Seller, this shall constitute a Contract entered into directly between the Buyer and Seller. W2W assumes no responsibility for any and all details, agreements, and terms between the Buyer and Seller. It is the responsibility of the two parties making any transactions from leads obtained through our network to do their own due diligence on the veracity and creditability of the other party by checking references, etc of each other.

1.3 Where the Buyer has placed an order on the Platform for the subscription to technologies/services advertised by the Proprietor, this shall constitute a Contract entered into directly between the Buyer and Proprietor. W2W assumes no responsibility for any and all details, agreements, and terms between the Buyer and Proprietor. It is the responsibility of the two parties making any transactions from leads obtained through our network to do their own due diligence on the veracity and creditability of the other party by checking references, etc of each other.

1.4 It is the full responsibility of the Buyer/Seller/Proprietor to monitor and perform any physical waste trading/collection/transportation/management activities with compliance to the government regulations such as Akta 672 outside the Platform.

2. Orders and Specifications

2.1 The Buyer who wishes to purchase publishing waste/service/technology by contacting the Seller/Proprietor through the Platform shall be responsible for ensuring the accuracy of the order. All orders shall be subject to the acceptance of Seller/Proprietor in their sole decision and shall be deemed to be unchangeable upon transmission through the Platform.

2.2 Please refer to the official list of permissible wastes as for purchasing/selling or subscription of technologies/services.

3. Price

3.1 The highest price of the Goods shall be the price stated on the Platform at the time which the Buyer places enquiry on the Platform.

4. Terms of Price and Payment

4.1 The Buyer shall be entitled to make payment for the Waste/Service/Technology based on the payment method arranged by the Seller/Proprietor.

4.2 W2W WILL NOT in charge of the payment processing.

5. Delivery of wastes

5.1 Delivery of the Goods shall be made according to the agreement between Buyer/Proprietor and Seller to the address specified in the successful order.

5.2 W2W WILL NOT in charge of the delivery of the Goods.

ALL TRADING ON THIS PLATFORM ARE AT YOUR OWN RIS
